KITCHEN EQUIPMENT

About Us

We have been providing quality steelwork for over half a century to our U.A.E,

Bright Way Kitchen Equipment, Has Built A Reputation As A Leading Manufacturer & Supplier Of Custom Fabricated Stainless-steel Products, Has Now Grown Into A Successful Manufacturer And Exporter With Customers Throughout U.A.E,

Who We Are?

Established in 2007, Bright Way Kitchen Equipment is now one of the leading designers and manufacturers of innovative and customized kitchen equipment for over a decade, providing our customers with a wide range of customized kitchen equipment fabrication and has built a reputation over the years for performance, quality, and value for money in middle east countries. Our commitment is to help customers meet the demands of food safety together with competitive pricing, professional advice, and innovative design. Our focus on service and support has led us to attract some of the Middle Eastern leading companies as customers. We have the industry's most highly skilled and experienced teams, delivering new concepts and solutions that continue to lead the market.

We Offer a Wide Variety of Steelwork Solutions and products for various industries.

Bright Way Kitchen Equipment manufacturing industry leader in the supply of high-quality stainless-steel custom fabricated products for a wide range of international market sectors. Equipped with modern equipment.

COMMITMENT TO CUSTOMER

Our vision is for continued growth and viability, a reputation for excellence, and reliability for quality service with excellent technical capabilities. We, Bright Way Kitchen Equipment do not compromise on services after-sales. We keep engaged ourselves by volunteer inspection and sites by providing line maintenance & technical ground handling services of the highest quality, at competitive prices to the customers. We are committed to maximizing and strengthening domestic markets and international growth. We care about our clients and work towards long-term relationships for mutual success. We will continue to grow as we invest in our people, products, and facilities to ensure excellence & customer satisfaction.

KITCHEN EQUIPMENT AMC SERVICES

BWKE has been providing commercial kitchen equipment and appliance maintenance contract services in Abu Dhabi . Regular Planned Preventive Maintenance (PPM) is essential for keeping appliances efficient and minimising unexpected failures. As appliances age, they become more prone to breakdowns, often at inconvenient times. With BWKE Appliance Services, our annual Commercial Appliances Contract offers peace of mind by providing a predictable budget for maintenance, helping you avoid unexpected repair costs. Contact us today to book a technician for an inspection and arrange your Appliances AMC Services Contract Cover to start now.

HERE ARE THE MAINTENANCE SERVICES WE OFFER FOR KITCHEN EQUIPMENTS
